

Youth Work Methods Series

The workshops in the Youth Work Methods series are aligned with the Youth PQA. After gathering data from a Youth Program Quality Assessment and creating a plan for improvement through participation in a Planning With Data training, program managers can choose to offer trainings to program staff that are aligned to the Improvement Plan. These interactive and hands-on courses provide participants with practical skills that are geared to improve the quality of interactions with youth.

Who should attend?

The Youth Work Methods workshops are designed to empower direct-staff with tools that will increase the quality of their work with youth.

Time Commitment:

Workshops are typically two to three hours in length. Scheduling two workshops in one day is recommended.

Courses are also available online. The online modules are self-paced. [Enroll today through our online store!](#)
