This Training of Trainers is targeted at managers and site leaders who wish to be able to support their sites throughout the quality improvement cycle. The course consists of three weeks of distance learning, two days of live training, and one week of distance follow-up. Graduates of the Management TOT can facilitate the Planning with Data and Quality Coaching workshops, as well as provide comprehensive logistical and professional development support to staff who are involved in the process. Participants should expect to spend 3-4 hours per week on readings, practicums, written assignments, and attending webinars.

Management TOT candidates must have successfully attended YPQA Basics and Planning with Data. It is highly recommended, but not required, that candidates have successfully completed the External Assessor Reliability Training and the Quality Coaching workshop.
